1. Curriculum Delivery: Planned and Documented Process

SGGSJ Government College Paonta Sahib as an affiliated college follows all the rules and directives of Himachal Pradesh University Shimla for curriculum delivery and strictly adheres to the curriculum developed by the University. The College has devised a well-planned and documented process to ensure effective curriculum delivery.

i. Brainstorming for Academic Calendar

For effective curriculum delivery and creating a holistic experience for the students, the College identifies resources, develops plans & processes under the aegis of IQAC, Staff Council and College Advisory Committee.

The college has duly constituted and fully functional IQAC. The IQAC is actively engaged in quality improvement and assurance for the academics in the campus.

An academic calendar is prepared at the beginning of every academic year which includes all the academic activities of the college. The syllabus divided among teachers is published in the department and the time-bound completion of which is ensured by the respective HoDs. Teachers deliver the curriculum in accordance with the teaching plan and the effectiveness is ensured through various evaluation procedures.

Before the commencement of the session, the College Academic Calendar is prepared indicating a tentative schedule of curricular & extra-curricular activities in sync with University Academic Calendar.

ii. Curriculum Access

An Annual Academic Plan (Academic Calendar of the College) is prepared by the College Advisory Committee every year on the basis of academic calendar of the university and departmental academic plans. It is published in the college handbook and displayed in website. The College Staff Council assists the College Advisory Committee in the process along with timetable and workload committees. The department academic plans are displayed on the department notice boards.

The prospectus designed by the Prospectus Committee disseminates information regarding the programmes and courses. The details of programme outcomes, programme specific outcomes, course outcomes, syllabi, weightage of internal and external examinations are communicated through College Website. E-resources prepared by the faculty and Question Bank containing model question papers and old university question papers are available in the college website.

Students are made aware of the POs, PSOs and COs. Students are also given directions regarding curricular and co-curricular activities too.

iii. Workload Allocation and Timetable Formulation

Every semester, the Timetable Committee of the College devises Department and class-wise master timetables, according to the workload specified in the UGC Regulations 2018, which are sent to each Department with guidelines regarding the allotment of classes.

Each Department distributes the classes to the teachers, keeping in mind specialisations and expertise. The individual and class timetables are then sent back to the Timetable Committee for approval and finalisation. The Committee then officially notifies the timetable to each teacher and formally displays it on the College Website. The timetable is sacrosanct and once notified changes cannot be made without prior permission of the Timetable Committee. The process is completed before the commencement of each semester.

At the departmental level, decisions are taken with respect to workload and optional papers to be offered. Timetables indicating lectures, tutorials, and mentoring sessions are prepared and shared with teachers as well as students well in advance. The class timetables are also displayed outside every classroom for transparency and adherence. The College Timetable is available in the college website and displayed on the notice board.

Departments regularly assess and evaluate the percentage of syllabus covered and discuss any problems encountered by the students and teachers.

iv. Resources for Effective Curriculum Access

The study material for every subject, both offline and online, is made available by the Library, which enables an enriching curriculum delivery. Updation of college portal regarding e-resources and college library with new books/journals/periodicals ensures the active engagement of the college in the advancement of the curriculum.

UG/PG students are given seminars/assignments under the guidance of faculty members.

The science labs, computer labs and a language lab are used in an optimum way for the effective curriculum delivery.

Subject related workshops/seminars are organized for the benefit of teachers as well as students. They are encouraged to attend such programmes outside the campus too.

v. Effective and Efficient Curriculum Delivery

Conventional chalk and board method is integrated with ICT-based methods of flipped classroom and blended learning. Internships, within and outside the College, are encouraged as part of student-centric methods of curriculum delivery.

All the faculty members devote extra time to schedule tutorial and remedial sessions.

The internal examinations are held for every batch in each semester/year. The valued answer papers are promptly returned to the students with proper guidance for improvement.

Furthermore, a system of allocation of mentor-mentee and identification of Advanced and Slow learners has been designed by the College for promoting peer learning and developing a more personalised teacher - student collaboration. This is enhanced by a continuous

evaluation mechanism in the form of presentations, group discussions, assignments, research projects and tests to assess students' learning and identify the gaps in their preparedness before the Final Examination.

Remedial coaching is given to needy students in which under-achievers are given personal attention.

In order to make the learning student-centric, industrial visits, quizzes, case discussions and seminars, workshops, monthly lecture series and alumni lecture series have been organised on a regular basis. Study tours are conducted for UG and PG students in which they visit places and institutions of academic value.

To keep abreast of recent times teachers are encouraged to use ICT enabled lecture delivery, audio visual aids, smart boards and LCD projectors. Educational tours and field visits are organised periodically to take students beyond the curriculum. Teachers also enhance their knowledge through active involvement in Research and Faculty Development Programmes.

For capacity and competence building, induction programmes are conducted by SCERT (State Council for Education Research and Training) for the new faculty members for making the curriculum delivery effective and outcome based.

vi. Teaching Lesson Plans as a Toolkit

The seamless execution of curriculum delivery is ensured through departmental meetings regarding detailed lesson plan for each paper and appropriate pedagogy for each topic is identified. Decision regarding the quantum of syllabus to be finished before a stipulated time frame is finalized in the Departmental Meetings. Week wise lesson plans along with pedagogy for the entire semester are prepared and communicated to the students in classrooms also. The teaching lesson plans are available department-wise on the college website.

vii. Evaluation System as a Toolkit

The college has a strong Internal Evaluation System which tests and assesses the comprehension of the students through mock tests, assignments, projects, class presentations, power point presentations, class tests, seminars, self-assessment tests, House Exams, group discussions and role-plays. This helps in evaluating the students' learning levels and accordingly remedial actions are taken through mentoring and other academic counselling mechanisms to enable them to perform better in the end semester examination.

The mid-term house examination in each semester/year gives exposure to the students about University Examination pattern and an opportunity to assess their knowledge after the completion of atleast 75 percent of the course curriculum. The answer sheets are shown to the students and results are displayed on the notice board.

The institution keeps a track of the academic progress of the students through Continuous Comprehensive Assessment (CCA). CCA accounts for 30% of the final grade. It is determined on the basis of classroom attendance (5 marks), Mid Term Test (15 marks), Assignments/Seminars/class tests (10 marks). Student has to attend at least 75% of lectures/tutorials/practical. Student having less than 75% attendance is not allowed to appear

in the end semester examination. For this purpose, the proper record of the attendance is maintained by the respective teachers in the attendance register.

viii. Stakeholders' Feedback as a Toolkit

The feedback mechanism is put in place for all the stakeholders to review issues related to curriculum and to identify the ensuing improvement areas. Students' feedback is collected through open houses, mentoring and tutorial sessions. The feedback from students is discussed in Department staff meetings and corrective steps are taken. The feedback regarding the curriculum from the students, teachers, parents, and employers is communicated to the University through the members of the faculty who are in the Board of Studies and other Academic Bodies.

ix. Performance Outcome of Students:

The Performance outcome of students is assessed through Continuous Internal Assessment and End Semester Examinations. Learning outcomes are observed through the various activities, given for each course and the attainment is measured at the end of the semester.

कॉलेजों में एक जनवरी से पांच फरवरी तक छुट्टियां

शिमला। प्रदेश के सभी डिग्री और संस्कृत कॉलेजों में एक जनवरी से पांच फरवरी तक छुट्टियां रहेंगी। उच्च शिक्षा निदेशालय ने मंगलवार को सर्दियों की छुट्टियों का शेड्यूल जारी कर दिया है।

छुट्टियों के दौरान विद्यार्थियों को हर विषय से संबंधित असाइनमेंट दी जाएगी। उच्च शिक्षा निदेशक डॉ. अमरजीत कुमार शर्मा ने असिस्टेंट प्रोफेसरों और एसोसिएट प्रोफेसरों को असाइनमेंट देने को कहा है। विद्यार्थियों को अगर किसी विषय को लेकर कोई शंका होती है तो वे शिक्षकों से संपर्क कर सकते हैं। छुट्टियों के दौरान कॉलेजों में कार्यालय खुले रहेंगे। गैर शिक्षकों को नियमित तौर पर कॉलेजों में आना होगा। ब्यूरो

कॉलेजों में 16 से लगेंगी कक्षाएं माइक्रो प्लान बनाने के निर्देश

शिमला। हिमाचल प्रदेश के डिग्री कॉलेजों में 16 अगस्त से नियमित कक्षाएं लगेंगी। उच्च शिक्षा निदेशालय ने इस बाबत लिखित निर्देश जारी कर दिए हैं। सभी कॉलेज प्रिंसिपलों को कॉलेजों में विद्यार्थियों के आने पर कोरोना संक्रमण से बचाव के लिए जारी एसओपी का पालन करने और माइक्रो प्लान बनाने का पत्र जारी किया गया है।

शिक्षा निदेशक ने कहा कि सभी शिक्षकों और विद्यार्थियों को वैक्सीन लगाने के लिए प्रोत्साहित किया

जाए। कॉलेजों में उचित दूरी पर विद्यार्थियों को बैठाने की व्यवस्था की जाए। थर्मल स्क्रीनिंग और सैनिटाइजेशन की तैयारियां पूरी की जाएं। उन्होंने कहा कि हर कॉलेज में विद्यार्थियों की संख्या के हिसाब से नियमों का पालन सुनिश्चित करने के लिए माइक्रो प्लान बनाए जाने चाहिए। नियमों का पालन करने के लिए कमेटियां बनाई जाएं। विद्यार्थियों के आने-जाने के लिए अलग समय तय किया जाए। फेस मास्क पहनने को अनिवार्य किया जाए। ब्यूरो
