9. WORKSHOP ON INTELLECTUAL PROPERTY RIGHTS ORGANIZED ON 17/09/2021

A workshop on intellectual property rights was conducted by the Career Guidance and Placement Cell of the college on 17/09/ 2021. Ms Puja Maulikar from RGNIPM, Nagpur, was the resource person for the day. Rajiv Gandhi National Institute for Intellectual Property Management (RGNIPM) is a National Center of Excellence Central Government Institute under the Ministry of Commerce & Industry engaged in conducting International Trainings and awareness workshops on Intellectual Property Rights (IPR) i.e. Patents, Designs, Trademarks, Copyrights, GI etc. At present, filing of Indian IP applications/Patents by Institutes, University, Industries are very low despite their significant contribution towards R&D and thus patent applications filed by the Indian Inventors and Companies are very less as compared to foreign applicants. Also it has often been observed that many inventors are losing the chance of obtaining Patents, designs for their inventions by commercially using or publishing their inventions in newspapers or scientific and technical journals and such inventions are thus remain unprotected and lose their exclusive rights. It is a common experience that through ignorance of Patent/designs, inventors jeopardize the chance of obtaining patents/designs for their inventions by commercially using or publishing their invention in newspapers or scientific and technical journals, before applying for patents. Hence many Indian inventions are not patented and thus remain unprotected.

Therefore to implement the objectives of National IPR Policy 2016 and to safeguard the interest of the inventors & to upgrade IP skills of Teachers, students, scientists, an Online workshop on IPR- Patents & Design was conducted for students. The online session was attended by 102 students in addition to this the one hour program was aired live in smart classroom number 101 which was attended by 72 students.
