Academic Audit 2021

AUDITED BY:

EXTERNAL ACADEMIC AUDIT TEAM

Introduction

A structured system of review of institutional processes is very essential for excellence in higher education. Academic audit is such a systematically structured method guaranteeing quality assurance to academic activities.

The academic audit process began with the submission of departmental evaluation reports submitted by all the departments to IQAC. These self-evaluation reports were consolidated and presented to the external academic audit committee for perusal and evaluations. The audit committee discussed the process and methods followed in various academic activities and critically analysed the outcomes.
