## PROFILE

---

- Assistant Professor of Public Administration with a strong academic background and a focused interest in governance and administrative theory.
- Experienced in developing and delivering course content that encourages analytical thinking, ethical reasoning, and conceptual clarity.
- Committed to fostering an inclusive academic environment and contributing meaningfully to the study of public policy and administration.

## EDUCATION

---

### **Master of Philosophy (M.Phil.) Public Administration, Madurai Kamraj University, Tamil Nadu, India 2007**

- Completed a dissertation focusing on Administration of Welfare Schemes for Women in Himachal Pradesh demonstrating critical inquiry and methodological rigour.
- Engaged with contemporary issues in public administration, including administrative reforms
- Enhanced expertise in qualitative and quantitative research methods applicable to social science and administrative studies.

### **Master of Arts (M.A.) in Public Administration, Uttarakhand Open University, Uttarakhand, India 2015**

- Examined key contributions of classical and contemporary administrative thinkers such as Woodrow Wilson, Max Weber, Henri Fayol, and F.W. Taylor
- Studied the concept, scope, and evolution of development administration in the postcolonial context, with a focus on India's socio-economic challenges.
- Gained insight into the administrative structure of Uttarakhand, including the roles of the Governor, Chief Minister, State Secretariat, and field-level agencies.

### **Master of Arts (M.A.) in Public Administration, Kurukshetra University, Haryana, India 1999**

- Gained in-depth knowledge of administrative theory, governance structures, and public policy formulation.
- Studied the functioning of Indian administration, including central, state, and local government institutions.
- Explored key areas such as personnel administration, financial administration, and development administration.

### **Bachelor of Commerce, Kurukshetra University, Haryana India 1994**

- Gained foundational understanding of accounting principles, financial management, and business economics.
- Studied the structure and functioning of organisations, markets, and regulatory frameworks in the Indian economic context.
- Developed analytical skills through coursework in business statistics, cost accounting, and economic theory.

## **EXPERIENCE**

---

### **Assistant Professor in Public Administration, Shri Guru Gobind Singh Government Degree College, Paonta Sahib – 2005 to Present**

- Over 20 years of experience teaching undergraduate courses in Public Administration, including administrative theory and governance processes.
- Consistently handled core subjects such as Personnel Administration, Financial Administration, and Development Administration with academic rigour.
- Actively involved in student mentoring, academic guidance, and classroom management, contributing to a disciplined and effective learning environment.
- Participated in university-level examination duties and departmental responsibilities as assigned by the college administration.
- Maintained commitment to the teaching profession through regular classroom engagement and adherence to academic standards set by Himachal Pradesh University.
